

## REVELATIONAL INSIGHT

"Remember that it is better to walk in the dark with God than to walk alone in the 'light'" --The Still Small Voice

## TESTIMONY

The God of wonders beyond the galaxies has proved Himself again as the great deliverer. Our beloved brother testified on how God supernaturally spared his life from what would have resulted to a massive stroke. He went to work on a normal day and as soon as he was done with his job, he bent down to pick up a pen that fell from his pocket, the unthinkable happened. Our brother slumped and could not get up. He received medical attention and the Doctor pronounced an evil report. But our brother testified that he confessed what the word of God said concerning his healing and the month of October being our month of Divine Healing, God came through for him. The God we serve indeed is the Great Physician! Glory to His Holy Name!

## STATEMENT OF FAITH

That the Holy Bible is divinely inspired by God, and is infallible, trustworthy and dependable, and authoritative in all matters of faith and conduct.

That there is only one God, who is eternally existed in three distinct persons: Father, Son and Holy Spirit.

That Jesus Christ our Lord is God manifested in the human flesh to take away our sins and hopelessness by his voluntary suffering, death and physical resurrection.

That salvation of all humanity is only through the redemptive work of Jesus Christ. Jesus Christ is our only Hope in the world of hopelessness.

That the Holy Spirit indwells every believer in Christ to live a holy life, to witness about Christ to the lost and to be anointed to be victorious in every sphere of life.

That the church is made up of those who have genuinely accepted Jesus Christ as Lord and Savior.

That healing of various kinds is integral part of the redemptive work of Jesus Christ. Water baptism and the Lords Supper are authentic ordinances of the church.

That there is Satan and its demonic co-workers, whose work is to thwart and frustrate the purpose of God on earth, but their final end is the hell fire.

That there shall be a bodily resurrection of the dead in Christ to heaven, and of the unrepentant sinners to hell fire.

That there will be visible imminent return of Jesus Christ to take home true believers in God.

## Pastor's Corner

I gracefully once more welcome you into the New Year 2020 and a New Decade of blessings and flourishing in every area of our life. This month of May is the Month of our Divine Double Portion. The God of hope said, He will give His children double for all the troubles caused by the plague of the evil coronavirus in our land. He is in control and in His sovereignty He has allowed the evil virus but He will outmaneuver the devil and bring a full double blessing for His children today. So get ready to receive double blessings and victories today and weep no more. (Amen)

## Walking in the Light of Your Own Fire

by Stephen Merritt

Behold, all ye that kindle a fire, that compass yourselves about with sparks: walk in the light of your fire, and in the sparks that ye have kindled. This shall ye have of mine hand; ye shall lie down in sorrow" (Isa. 50:11).

What a solemn warning to those who walk in darkness and yet who try to help

# MAY

MONTH OF DIVINE DOUBLE PORTION

Prophetic Focus

But to Hannah he would give a double portion, for he loved Hannah, although the LORD had closed her womb." (1 SAMUEL 1: 5)

themselves out into the light. They are represented as kindling a fire, and compassing themselves with sparks. What does this mean?

Why, it means that when we are in darkness the temptation is to find a way without trusting in the Lord and relying upon Him. Instead of letting Him help us out, we try to help ourselves out. We seek the light of nature, and get the advice of our friends. We try the conclusions of our reason, and might almost be tempted to accept a way of deliverance which would not be of God at all.

All these are fires of our own kindling; rushlights that will surely lead us onto the shoals. And God will let us walk in the light of those sparks, but the end will be sorrow.

Beloved, do not try to get out of a dark place,

except, in God's time and in God's way. The time of trouble is meant to teach you lessons that you sorely need. Premature deliverance may frustrate God's work of grace in your life. Just commit the whole situation to Him. Be willing to abide in darkness so long as you have His presence.

Cease meddling with God's plans and will. You touch anything of His, and you mar the work. You may move the hands of a clock to suit you, but you do not change the time; so you may hurry the unfolding of God's will, but you harm and do not help the work. You can open a rosebud but you spoil the flower. Leave all to Him. Hands down. Thy will, not mine.
