# JULY

## MONTH OF DIVINE DOUBLE ENCOUNTERS

*"And the crowds with one mind were paying attention to what was being said by Philip, as they heard him and saw the signs that he was performing. For many of those who had unclean spirits, they were coming out of them, crying out with a loud voice, and many who were paralyzed, and lame were healed. And there was great joy in that city." (ACTS 8: 6-8)*

### PASTOR'S CORNER

I gracefully welcome you into JULY, which is the beginning of the middle of the Year 2023, which is God's Year for our Divine Double Preservation (Zechariah 2: 8). Gratefully, from the beginning of 2023 till now the God of Hope has done many wonders in our church and families. Moreover, the new month of JULY is our God's Month of Divine Double Encounters. Wonderfully, in the entire Bible people of God were not used to just hearing the prophetic word, but simultaneously used to seeing the miraculous demonstrations of every spoken word in their lives and destinies. Surely, the God of the Bible is not a theory for the full practical manifestations of His raw power is always evident and provable in the lives of His own children. Therefore, in this month it's your turn to witness a visible and raw manifestation of the miraculous power of God in every area of your life (Amen).

# TAPPING INTO HIS POWER

BY DR. TONY EVANS

“Peter was kept in the prison, but prayer for him was being made fervently by the church to God” (Acts 12:5).

There was a lady who lived out in the country and never had electricity. Finally, her family made arrangements so a line could be run out to her house. However, after six months, she had only used one unit. Company officials decided to drive out to her house to make sure nothing was wrong. When everything checked out fine, they asked her if she was enjoying having electricity. “Oh my, yes,” she replied.

Then one of the representatives said, “Well, tell us how you are using it.” The old woman paused for a moment, and then, with a gleam in her eyes, she explained. Each evening, as the sun was setting, she turned the lights on long enough to light her kerosene lamps—and then turned them off! She was still living a kerosene existence when she could have been enjoying the comforts of having electricity.

God has given us tremendous power through the presence of His Spirit. Yet many times, we fail to use it. Instead, we settle for much less by relying solely on our human ability. There are certain things God never meant for us to handle on our own. We may be fine when it comes to choosing which shirt to wear in the morning, but when life becomes stormy and the winds begin to blow hard against us, we need an omnipotent Savior.

# TAPPING INTO HIS POWER

In Acts 12, we learn that Peter was arrested and that no amount of human effort could free him. However, the supernatural power of God did. The Bible tells us that the church was praying fervently. This means they were praying without ceasing, knowing that God had the power they lacked to release the one they loved.

What are you wrestling with today? Have you rolled it over onto the Lord through prayer, or have you lit a room full of kerosene lamps? Stop struggling on your own and turn on God's power through prayer and faith. Allow Him to be your strength and your everlasting peace. God wants to use the problems we face to demonstrate His awesome power and ability. Are you willing to allow Him to do this?

## QUOTABLE QUOTE

"I want the whole Christ for my Savior, the whole Bible for my book, the whole Church for my fellowship, and the whole world for my mission field."  
—John Wesley

## REVELATIONAL INSIGHTS

Faith sees the invisible, believes the incredible, and receives the impossible.

## TESTIMONY

The God of wonders beyond the galaxies has proved Himself again as the great deliverer. Our beloved brother testified on how God supernaturally spared his life from what would have resulted to a massive stroke. He went to work on a normal day and as soon as he was done with his job, he bent down to pick up a pen that fell from his pocket, the unthinkable happened. Our brother slumped and could not get up. He received medical attention and the Doctor pronounced an evil report. But our brother testified that he confessed what the word of God said concerning his healing and the month of October being our month of Divine Healing, God came through for him. The God we serve indeed is the Great Physician!

## 2023 WATCHWORD

### GOD'S YEAR FOR OUR DIVINE DOUBLE PRESERVATION

"FOR THUS SAYS THE LORD OF HOSTS... ANYONE WHO TOUCHES ME IS TOUCHING THE APPLE OF GOD'S EYES." (ZECHARIAH 2: 8)

## STATEMENT OF FAITH

That the Holy Bible is divinely inspired by God, and is infallible, trustworthy and dependable, and authoritative in all matters of faith and conduct.

That there is only one God, who is eternally existed in three distinctive persons: Father, Son and Holy Spirit.

That Jesus Christ our Lord is God manifested in the human flesh to take away our sins and hopelessness by his voluntary suffering, death and physical resurrection.

That salvation of all humanity is only through the redemptive work of Jesus Christ. Jesus Christ is our only Hope in the world of hopelessness.

That the Holy Spirit indwells every believer in Christ to live a holy life, to witness about Christ to the lost and to be anointed to be victorious in every sphere of life.

That the church is made up of those who have genuinely accepted Jesus Christ as Lord and Savior.

That healing of various kinds is integral part of the redemptive work of Jesus Christ. Water baptism and the Lords Supper are authentic ordinances of the church.

That there is Satan and its demonic co- workers, whose work is to thwart and frustrate the purpose of God on earth, but their final end is the hell fire.

That there shall be a bodily resurrection of the dead in Christ to heaven, and of the unrepentant sinners to hell fire.
