Pastors Corner

I gladly welcome you again into the new month of November in the year 2025, which is the God's Year for our Divine Zeal for the Kingdom's assignments (Romans 12: 11). This is our unusual month of Divine Praise Warfare and as we shower God with our high praises this new month, the heavens will be opened for our blessings and victories (Amen)

THE POWER OF PRAISE WARFARE

INTRODUCTION:

Amazingly, the Bible is full of the stories of the people of faith who dared to give praise and honor to God amid most challenging situations in their lives. I have discovered two kinds of people in the kingdom; there are those who only give the "natural praise" to God when they receive their miracles, and the others are those who offer the "supernatural praise" to God in advance of their breakthroughs. I would like you to be among the "supernatural praisers" who dare to call off the bluff of the devil by lavishing God with thanks and praises in spite of what they are going through since they already know that they must go through before they breakthrough. At this juncture, let me show you a few examples of the "supernatural praisers" in the Scriptures:

THE POWER OF PRAISE WARFARE

1. VICTORY PRAISE AT THE WALL OF JERICO

"So the people shouted when the priests blew with the trumpets: and it came to pass, when the people heard the sound of the trumpet, and the people shouted with a great shout, that the wall fell down flat, so that the people went up into the city, every man straight before him, and they took the city." (Joshua 6: 20)

After leaving the land of Egypt the Israelites must pass through the city of Jericho before entering the Promised Land. But there were two barriers to overcome before actualizing their dream of crossing over. First, they just left the place of Gilgal where were all coming with the physical pains of circumcisions (Joshua 5: 2-9). Second, there were strong walls of Jericho to subdue in order to crossover (Joshua 6: 1-5). Interestingly, God gave them an unusual instruction. They had to shout a shout of victory around the city wall for seven days instead of using any physical force. I do not even think they had any physical power left due to the pains of circumcisions. Anyway, they obeyed God and on the seventh day the strong wall fell down flatly due to their shouts of praises (Joshua 6: 16-20). Similarly, you too may be faced with some walls of impossibilities and problems. Are you in any pain now? Please do not allow your pain to disturb you from praising the Lord today. For as you give God a shout of praise, I could see those walls coming down now in the Name of Jesus Christ.

2. PRAISE AND WORSHIP IN THE DESERT

"But now bring me a minstrel-worship musician. And it came to pass, when the minstrel played, that the hand of the Lord came upon him-Elisha. And he said, Thus says the Lord, make this valley full of ditches-water canals." (2 Kings 3: 15-16)

The story in this passage is very interesting. It shows that a heart of praise and thanksgiving can overcome any problem at any place. The heart of the matter is not where you are but is about whose you are. In the passage the Israelites faced three nations in battles at the wilderness where every animal and soldier was dying for the lack of no water. The man of God Elisha was called upon and as he called for a praise service in the desert the Lord filled the dry place supernaturally with waters enough to bring victory to His people (2 Kings 3: 17-27). Do you also fell you are fighting your battles of life from a desert of wilderness where there is no help? Is everything dry around you? I am confident that if you can turn your desert to praise zone your God will show up to turn the table against your enemies. Yes, the water of refreshments will flow out of your desert situation today.

3. SONGS OF PRAISE AS WEAPONS OF WARFARE

"And when he had consulted with the people, he appointed singers unto the Lord, and that should praise the beauty of holiness, as they went out before the army, and to say, Praise the Lord; for His mercy endures forever. And when they began to sing and praise the Lord, the Lord set an ambush against the children of Ammon, Moab and mount Seir, which were coming against Judah, and they were smitten-defeated." (2 Chronicles 20: 21-22)

This is another fascinating story of the efficacy of thanksgiving. God instructed the godly king Jehoshaphat to assemble the anointed choir to praise-fight the enemies. This was an unconventional manner of engaging in a warfare. Why not using the military might? Since God knows the best, and anyway His foolishness is better than the wisdom of mankind. But the enemies turned against themselves as the heavenly hosts were released to fight for the people of God. Are you also overwhelmed by any battle now? Please do not be battle fatigued. As you sing and shout unto the Lord today all your enemies will turn against each other for total destruction.

4. THE POWER OF PRAISE AT THE MIDNIGHT HOUR

And at midnight Paul and Silas were praying and singing praises unto God: and the prisoners heard them. And suddenly there was a great earthquake so that the foundations of the prison were shaken: and immediately all the doors were opened and everyone's chain was loosed." (Acts 16: 25-26) This is another powerful story of the need for thanksgiving amid the challenges of life. Yes, it possible to rejoice even at the zero hour since you know by God's grace what the end of the story will be to the glory of God and to the shame of the devil and his co-workers. Apostle Paul and his colleague turned the prison cell into a praise arena, and the angel of God invaded the place to bring about a ground shaken liberation to the people of God. Do you also feel imprisoned by sinful additions, demonic oppression and stagnations? Or you may be going through your midnight hour when nothing seems to be working. The midnight hour is when you feel alone, discourage and let down. But you must do what Paul and his friend did to get their amazing result. I can see your prison door open wide as you give God the highest praise for His grace and mercies right now. Yes, God is still on the throne and He will never allow His Holy Name to ridiculed forever. Now arise and shout a big shout of praise unto your heavenly Father today. Amen.

REVELATIONAL QUOTE

"No Real Life Without It: Life by its very definition is a growth process. That which is alive is growing. For example, seedlings grow to be trees, in some cases to heights of several hundred feet. Even when they reach their full height, they exhibit regular growth through the production of new leaves, branches, or fruit. The principle of growth also holds true in the spiritual realm. An essential, inherent characteristic for everyone in the Body of Christ is individual spiritual growth."

QUOTABLE QUOTE

God's promises of comfort are not just for reflecting upon, as though they were some mystical or philosophical thoughts on life, but for living in the world. They are associated with help and encouragement in times of stress, sorrow and difficulty, and show that God is deeply interested in all that goes on in our lives. Here are just some of the areas where God promises his comfort to us."

Statement of Faith

That the Holy Bible is divinely inspired by God, and is infallible, trustworthy and dependable, and authoritative in all matters of faith and conduct.

That there is only one God, who is eternally existed in three distinctive persons: Father, Son and Holy Spirit.

That Jesus Christ our Lord is God manifested in the human flesh to take away our sins and hopelessness by his voluntary suffering, death and physical resurrection.

That salvation of all humanity is only through the redemptive work of Jesus Christ. Jesus Christ is our only Hope in the world of hopelessness.

That the Holy Spirit indwells every believer in Christ to live a holy life, to witness about Christ to the lost and to be anointed to be victorious in every sphere of life.

That the church is made up of those who have genuinely accepted Jesus Christ as Lord and Savior.

That healing of various kinds is integral part of the redemptive work of Jesus Christ. Water baptism and the Lords Supper are authentic ordinances of the church.

That there is Satan and its demonic co-workers, whose work is to thwart and frustrate the purpose of God on earth, but their final end is the hell fire.

That there shall be a bodily resurrection of the dead in Christ to heaven, and of the unrepentant sinners to hell fire.
