

THE VOICE OF HOPE

MONTH OF DIVINE CHILDREN'S BREAD

1 PASTORS CORNER

I gladly welcome you again into the new first month of the New Year 2026, which is our covenant Year of Divine Glorious light (PSALM 36: 9). The supernatural light of God will lighten every area of our destiny, and every darkness shall be subdued and conquered. Amazingly, this second month of February is our month of Divine Children's Bread (Mark 7: 27) and every blessing that is our covenant right will be released to us in the mighty Name of Jesus Christ. The following story best illustrates the heart of this month prophetic bonus: There is an old story about a man in Europe who wanted to travel to the United States. In those days, the only way to get here was by ocean liner. He worked hard, saved up his money and finally put together enough money to buy a one-way ticket. Then he bought a suitcase and filled it with cheese and crackers. That would be his food for the three-week journey. It was all he could afford, the ship set sail and the mealtime came.

All the other passengers went into the large dining hall to eat their meal. The man went to his suitcase and took out some cheese and crackers. While he could smell the delicious aromas coming from the meal being served, he went to a corner and ate his cheese and crackers. After the meal, he heard some of the passengers talk about how full they were. The poor man really wanted to join the others in the dining hall, but he had no extra money. Sometimes he would lie awake at night, dreaming of food. Toward the end of the trip, another man came up to him and said, "Sir, I cannot help but notice that each time a meal is served, you go over to that corner and eat cheese and crackers. Why don't you come into the banquet hall and eat with us?" The traveler was embarrassed, but finally stammered out, "Well, to tell you the truth, I only had enough money to buy the ticket. There was no money left over for the meals." The other passenger raised his eyebrows in surprise. He said, "Why...don't you realize the meals are included in the price of the ticket? Your meals have already been paid for." As a Christian, are you living on cheese and crackers, when the delicious banquet meal has already been paid for? It was part of the ticket purchased by Christ on the cross. Throughout the Bible, God has talked about wanting to bless us. That doesn't always mean materially, but it doesn't exclude it either. [John 10:10](#) says, "I have come that they may have life, and that they may have it more abundantly." Do you think that means living on "cheese and crackers"?

Christ came to earth to teach us how to live abundant, fulfilled lives. According to [John 10:10](#), if we follow His teachings, we will live enviable, full lives! Now let us get ready to receive all our children's bread in the mighty Name of Jesus Christ (Amen)

CHILDREN'S BREAD

Deliverance is from God and is part of the blessing of being in covenant with Him. It only destroys what is of the devil; it never destroys what is of the Holy Spirit. Since deliverance is a work of the Holy Spirit, it builds up the saints and edifies the church. It tears down the strongholds of the enemy, but builds up the work of God.

SPIRITUAL MALNUTRITION

And behold, a woman of Canaan came from that region and cried out to Him, saying, "Have mercy on me, O Lord, Son of David! My daughter is severely demon-possessed." . . . But He answered and said, "It is not good to take the children's bread and throw it to the little dogs."

Bread, simply defined, is food or sustenance. Sustenance is defined as "a means of support, maintenance, or subsistence . . . the state of being sustained . . . something that gives support, endurance, or strength." Christians need bread to endure. Without such, there will be fainting and weakness. The reason why so many believers are weak and fainting is because they have not received deliverance, which is the children's bread.

Both Matthew and Mark record the saying of Jesus: "the children's bread." However, several of Mark's words give us additional insight: "Let the children be filled first." The word filled also means to be satisfied. Just as the natural appetite cannot be satisfied without bread, the spiritual appetite cannot be satisfied without deliverance. The church has been trying to bring deliverance to the world while ignoring the words of Jesus: "Let the children be filled first" (Mark 7:27). In other words, we cannot bring successful deliverance to the world until we bring it to the church and we ourselves are delivered!

Bread is not a luxury food. It is a staple food. A staple is defined as "something having widespread and constant use or appeal, the sustaining or principal element." When we refer to something as being principle, we are saying it is a matter, or thing, of primary importance. Principal is defined as "most important, consequential, or influential: chief."

Since bread is a staple food and since deliverance is called "the children's bread," then we can conclude that deliverance is of primary importance to the life of the believer. It is a sustaining or principal element of our spiritual diet.

He causes the grass to grow for the cattle, and vegetation for the service of man, that he may bring forth food from the earth, and wine that makes glad the heart of man, oil to make his face shine, and bread which strengthens man's heart.

—Psalm 104:14–15, EMPHASIS ADDED

Bread strengthens the heart. The Berkeley translation says, "and bread to improve man's health." Deliverance will certainly improve your health. You will not be healthy without partaking of this bread. The Jerusalem Bible says, "and bread to make them strong." Bread makes us strong. A lack of bread produces weakness, which is the result of malnutrition. The Harrison translation says, "with bread also, to refresh the human body."

Every believer needs a refreshing. Deliverance, as part of the diet of any believer, will cause health, strength, and refreshing to come into the lives of those who partake of the children's bread.

REVELATIONAL QUOTE

"No Real Life Without It. Life by its very definition is a growth process. That which is alive is growing. For example, seedlings grow to be trees, in some cases to heights of several hundred feet. Even when they reach their full height, they exhibit regular growth through the production of new leaves, branches, or fruit. The principle of growth also holds true in the spiritual realm. An essential, inherent characteristic for everyone in the Body of Christ is individual spiritual growth."

QUOTEABLE QUOTE

God's promises of comfort are not just for reflecting upon, as though they were some mystical or philosophical thoughts on life, but for living in the world. They are associated with help and encouragement in times of stress, sorrow and difficulty, and show that God is deeply interested in all that goes on in our lives. Here are just some of the areas where God promises his comfort to us."

Statement of Faith

That the Holy Bible is divinely inspired by God, and is infallible, trustworthy and dependable, and authoritative in all matters of faith and conduct.

That there is only one God, who is eternally existed in three distinctive persons: Father, Son and Holy Spirit.

That Jesus Christ our Lord is God manifested in the human flesh to take away our sins and hopelessness by his voluntary suffering, death and physical resurrection.

That salvation of all humanity is only through the redemptive work of Jesus Christ. Jesus Christ is our only Hope in the world of hopelessness.

That the Holy Spirit indwells every believer in Christ to live a holy life, to witness about Christ to the lost and to be anointed to be victorious in every sphere of life.

That the church is made up of those who have genuinely accepted Jesus Christ as Lord and Savior.

That healing of various kinds is integral part of the redemptive work of Jesus Christ. Water baptism and the Lord's Supper are authentic ordinances of the church.

That there is Satan and its demonic co-workers, whose work is to thwart and frustrate the purpose of God on earth, but their final end is the hell fire.

That there shall be a bodily resurrection of the dead in Christ to heaven, and of the unrepentant sinners to hell fire.

Church Vision

To proclaim Jesus Christ as the hope of the world through evangelism, worship, preaching, teaching, and humanitarian services to the people of all races and colors.

To train and ordain God's people for the manifold ministries of Jesus Christ worldwide.

To raise altars of prayer for God in every member household.

To establish schools, hospitals, medical centers, and orphanage at home and abroad.

To plant churches home and abroad for the purpose of making disciples of all nations.
