MONTH OF DIVINE MIRACLES, SIGNS AND WONDERS

PROPHETIC FOCUS

"Men of Israel, hear these words: Jesus of Nazareth, a Man attested by God to you by miracles, wonders, and signs which God did through Him in your midst, as you yourselves also know." (ACTS 2: 22)

1 Pastors Corner

I gladly welcome you into the new first month of the New Year 2026, which is our covenant Year of Divine Glorious light (PSALM 36: 9). The supernatural light of God will lighten every area of our destiny, and every darkness shall be subdued and conquered. Amazingly, this first month of January is our month of Divine Miracles and Signs and Wonders (Acts 2: 22) and every impossibility shall become possible, and every trouble shall become a miracle. There shall be a mighty healing, deliverance and breakthrough in the mighty Name of Jesus Christ. What is a Miracle? Skeptics might scoff at the notion of miracles, but for those who believe in a spiritual realm – especially Christians – miracles are amazing circumstances that definitively point to the power and existence of God. For instance, the very creation of the universe is a miracle (Genesis 1:1), as is the parting of the Red Sea (Exodus 14:21-22). Jesus' incarnational birth and resurrection are miracles, too. The Dictionary of Bible Themes defines miracles as events, signs, wonders or experiences that demonstrate God's greatness and power. The word used for miracle in Hebrew is *mowpheth*, which also means wonder, sign, portent, or token of a future event. In Greek, it's *dunamis*, meaning the work of a mighty force, or *semeion*, meaning sign or signal. Something is considered miraculous when it goes beyond typical human expectations of what normally occurs in the world. For example, the creation of water out of nothing by God is itself a miracle, but a body of water today, even an especially beautiful one, isn't considered a miracle.

However, if that body of water were to behave in an unusual way, suddenly parting or bubbling or rising in a way that indicates only the work of the Lord made this happen, that is when it becomes a miracle. Miracles defy usual laws of nature and indicate the supernatural at work. Some miracles occur to meet a certain need, such as supplying food. Others occur to showcase the power of God. Now let us get ready to claim our waiting miracles in the mighty Name of Jesus Christ (Amen)

REVELATIONAL QUOTE

"No Real Life Without It: Life by its very definition is a growth process. That which is alive is growing. For example, seedlings grow to be trees, in some cases to heights of several hundred feet. Even when they reach their full height, they exhibit regular growth through the production of new leaves, branches, or fruit. The principle of growth also holds true in the spiritual realm. An essential, inherent characteristic for everyone in the Body of Christ is individual spiritual growth."

QUOTEABLE QUOTE

God's promises of comfort are not just for reflecting upon, as though they were some mystical or philosophical thoughts on life, but for living in the world. They are associated with help and encouragement in times of stress, sorrow and difficulty, and show that God is deeply interested in all that goes on in our lives. Here are just some of the areas where God promises his comfort to us."

Statement of Faith

That the Holy Bible is divinely inspired by God, and is infallible, trustworthy and dependable, and authoritative in all matters of faith and conduct.

That there is only one God, who is eternally existed in three distinctive persons: Father, Son and Holy Spirit.

That Jesus Christ our Lord is God manifested in the human flesh to take away our sins and hopelessness by his voluntary suffering, death and physical resurrection.

That salvation of all humanity is only through the redemptive work of Jesus Christ. Jesus Christ is our only Hope in the world of hopelessness.

That the Holy Spirit indwells every believer in Christ to live a holy life, to witness about Christ to the lost and to be anointed to be victorious in every sphere of life.

That the church is made up of those who have genuinely accepted Jesus Christ as Lord and Savior.

That healing of various kinds is integral part of the redemptive work of Jesus Christ. Water baptism and the Lord's Supper are authentic ordinances of the church.

That there is Satan and its demonic co-workers, whose work is to thwart and frustrate the purpose of God on earth, but their final end is the hell fire.

That there shall be a bodily resurrection of the dead in Christ to heaven, and of the unrepentant sinners to hell fire.
