MONTH OF DIVINE OPERATION NO DRIFTING

PROPHETIC FOCUS

“Therefore we must give the more earnest heed to the things we have heard, lest we drift away.”
(HEBREWS 2: 1)

1 Pastors Corner

I gladly welcome you afresh into the seventh month, which is the middle of the Year 2026, and which is our covenant Year of Divine Glorious light (PSALM 36: 9). The supernatural light of God will lighten every area of our destiny, and every darkness shall be subdued and conquered. Amazingly, this month of July is the prophetic month of Divine Operation No Drifting (Hebrews 2: 1). Drifting is caused by a lack of resolute determination. It is a movement, all right, but without resistance. A person who tends to drift has not developed the mental stamina and moral fortitude to attach himself firmly to the cause. As such, he is a prime candidate for vacillation, indifference, and—ultimately—apostasy. He is generally “tossed to and fro with every wind of doctrine” (Ephesians 4:14). Drifters seldom bring anything of value to the congregation. They come in, take what they want, and leave again—sometimes for a week or two, sometimes for a month. They just drift in and out. The faithful God of Hope will keep us focused and alert and every spiritual apathy and carelessness will go today (Amen)

CONCLUSION

“Drifting is caused by indifference. It results in half-hearted service and doublemindedness. You can’t drift to heaven! God will deal harshly with drifters, for He has no mercy on those who are aware of the truth but will not attend to its requirements with a sense of resolve and conviction. “We must pay more careful attention, therefore, to what we have heard, so that we do not drift away” (Hebrews 2:1).

The Reasons for Drifting

Hebrews 2:1

We must pay close attention to what we have heard (2:1a). Why, according to the last phrase in verse 1?

The writer of Hebrews uses the word *we* three times in this verse, so we know he is writing about Christians. Drifting Christians, like ships without anchors, drift away from God's purpose for their lives. Virginia and I are both certified sailors. In our sailing course, we were taught to pay close attention when letting out our anchor line. To anchor properly you must let out the anchor line at least three times the depth of the water. If not (as we discovered by experience when not paying attention to the length of our anchor line), our sailboat would drift.

The same is true in the Christian life. It is not an intentional decision to drift away, but the result of not paying close attention to every aspect of our lives. Let's examine three common signs of a believer beginning to drift away ...

1. Careless attendance at Bible study and worship. A sure symptom of drifting is becoming irregular in these two areas. That's why Hebrews 10:25a-b gives us what command? Some believers start drifting spiritually when they begin missing Bible study and worship services. They never intended to become spiritual drifters. However, after missing a Sunday or two here and there, their spiritual anchors soon lift, and they begin to drift off course spiritually.

2. Careless schedule. When we become too busy, we often drift away. Many fine believers have drifted spiritually simply because their schedules are too full. The Evil One knows the best way to get us to drift away is not getting us to do something bad but just getting us too busy doing good. That's why 1 Peter 5:8b gives us what warning? The devil causes us to drift away by prowling around in our schedules, getting us too busy for spiritual things, and then devouring us.

3. Careless prayer life. This is usually the first fatality of a careless schedule. When we carelessly ignore our spiritual anchors, one of which is prayer, we start drifting. It is then only a matter of time before our lives will be shipwrecked. One of Jesus' parables concerning prayer is about the persistent widow. According to Luke 18:1, what is the basic teaching of this parable?

REVELATIONAL QUOTE

"No Real Life Without Life by its very definition is a growth process. That which is alive is growing. For example, seedlings grow to be trees, in some cases to heights of several hundred feet. Even when they reach their full height, they exhibit regular growth through the production of new leaves, branches, or fruit. The principle of growth also holds true in the spiritual realm. An essential, inherent characteristic for everyone in the Body of Christ is individual spiritual growth."

QUOTABLE QUOTE

"When traveling at night, have you suddenly come upon a lot of flashing warning lights? These lights warn of danger and the need to pay special attention to the road ahead. The book of Hebrews is a series of spiritual "warning lights." The first warning is about spiritual drifting, which will wreck our spiritual lives."

Statement of Faith

That the Holy Bible is divinely inspired by God, and is infallible, trustworthy and dependable, and authoritative in all matters of faith and conduct.

That there is only one God, who is eternally existed in three distinctive persons: Father, Son and Holy Spirit.

That Jesus Christ our Lord is God manifested in the human flesh to take away our sins and hopelessness by his voluntary suffering, death and physical resurrection.

That salvation of all humanity is only through the redemptive work of Jesus Christ. Jesus Christ is our only Hope in the world of hopelessness.

That the Holy Spirit indwells every believer in Christ to live a holy life, to witness about Christ to the lost and to be anointed to be victorious in every sphere of life.

That the church is made up of those who have genuinely accepted Jesus Christ as Lord and Savior.

That healing of various kinds is integral part of the redemptive work of Jesus Christ. Water baptism and the Lords Supper are authentic ordinances of the church.

That there is Satan and its demonic co-workers, whose work is to thwart and frustrate the purpose of God on earth, but their final end is the hell fire.

That there shall be a bodily resurrection of the dead in Christ to heaven, and of the unrepentant sinners to hell fire.
