Security from God

A few years ago, I read a story about a Christian who was fleeing from his enemies during persecution in North Africa. His enemies were close on his heels as he tried to get away from them. He was pursued over a hill and through a valley until he was near exhaustion. In desperation he spotted a small cave and climbed into it exhausted. But he suspected that he would be caught because the entrance to the cave was visible, even from a distance. Awaiting his pursuers, he prayed that the Lord would protect him. Not long after he spotted a spider weaving a web. In just a few minutes the spider had woven its web right across the mouth of the cave. Just then the man's pursuers arrived, but seeing the web across the mouth of the small cave, they assumed it was impossible for him to enter it. They moved on and the man managed to escape from them. Later the believer is reported to have said, "Where God is, a spider's web is like a wall. Where God is not, a wall is like a spider's web."

REVELATIONAL QUOTE

"No Real Life Without It: Life by its very definition is a growth process. That which is alive is growing. For example, seedlings grow to be trees; in some cases to heights of several hundred feet. Even when they reach their full height, they exhibit regular growth through the production of new leaves, branches, or fruit. The principle of growth also holds true in the spiritual realm. An essential, inherent characteristic for everyone in the Body of Christ is individual spiritual growth."

QUOTABLE QUOTE

"When traveling at night, have you suddenly come upon a lot of flashing warning lights? These lights warn of danger and the need to pay special attention to the road ahead. The book of Hebrews is a series of spiritual "warning lights." The first warning is about spiritual drifting, which will wreck our spiritual lives."

Statement of Faith

That the Holy Bible is divinely inspired by God, and is infallible, trustworthy and dependable, and authoritative in all matters of faith and conduct.

That there is only one God, who is eternally existed in three distinctive persons: Father, Son and Holy Spirit.

That Jesus Christ our Lord is God manifested in the human flesh to take away our sins and hopelessness by his voluntary suffering, death and physical resurrection.

That salvation of all humanity is only through the redemptive work of Jesus Christ. Jesus Christ is our only Hope in the world of hopelessness.

That the Holy Spirit indwells every believer in Christ to live a holy life, to witness about Christ to the lost and to be anointed to be victorious in every sphere of life.

That the church is made up of those who have genuinely accepted Jesus Christ as Lord and Savior.

That healing of various kinds is integral part of the redemptive work of Jesus Christ. Water baptism and the Lords Supper are authentic ordinances of the church.

That there is Satan and its demonic co-workers, whose work is to thwart and frustrate the purpose of God on earth, but their final end is the hell fire.

That there shall be a bodily resurrection of the dead in Christ to heaven, and of the unrepentant sinners to hell fire.
